Dear Jack:

Thank you for your recent note. I was pleased to meet with your AFIO colleagues recently in San Francisco. They were most hospitable and we had a useful exchange.

We are grateful to AFIO for the good work you do on behalf of national intelligence. We especially appreciate your stout support throughout the struggle to enact an Identities Protection statute. Many thanks.

Sincerely,

William J. Casey
Director of Central Intelligence

*Jack - I admire & appreciate
your assiduous interest & support
Whenever I can do anything to
help let me know WJC* L-312
